## System Requirements:

A GameCube Controller GameCube Console GameCube Memory Card GameCube DVD Drive GameCube Drivers GameCube Double-sided DVD GameCube System Software We've played some games for the Wii using the GameCube Controller. While some games support GameCube controllers (see link), they seem to run fine but it would be nice to see how well they play. The best game to check out this is Thumper, which is available to rent on the Wii's Virtual Console.
